Once again, Bay Street Ball has not failed New Leaders' expectation of a fun-filled day of softball, food, and laughter! **This year, Bay Street Ball has raised over \$17,000!** This amount raised will help New Leaders to fulfill their commitment to fund the expansion and enhancement of **Sunnybrook's Schulich Heart Centre.**

These funds have been earmarked for a state-of-the-art room that will facilitate staff training, allow medical teams to collaborate more effectively, and provide patients' families the private space they need to meet with health care professionals and consider treatment options. This new, multipurpose space will overcome the physical constraints of the Centre's current configuration for these critical professional and family discussions. With your support, the quality of treatment at Sunnybrook Health Science Centre will improve as patients, families and medical staff will be able to work together in an environment designed to foster better outcomes for cardiac patients.

Introducing this year's sponsors. We are grateful and acknowledge their support and generosity to our cause.

Ontario Umpires Association

Special Thanks to

Mr. Robert Daley, Executive Sous Chef, 1 King West Hotel
